Dear Parent,

We want to inform Hoosier parents like you about On My Way Pre-K, a program administered through the Office of Early Childhood and Out-of-School Learning under the direction of the Family and Social Services Administration.

On My Way Pre-K provides grants for 4-year-olds from lower-income families, so they may have access to high-quality pre-k programs the year before they begin kindergarten.

*"Thanks, On My Way Pre-K. I know my daughter will be more than ready to go to school when August comes around." — On My Way Pre-K parent*

We can help your 4-year-old be better prepared to make new friends, play, discover, learn, be curious and ready for kindergarten. Our education includes social skills, number recognition, counting, alphabet recall, motor skills and more.

All while saving parents and guardians time and money, allowing you to better pursue more education, career opportunities and other life goals.

*"Without the funding, I wouldn't be able to afford this being a single parent." — On My Way Pre-K parent*
